Owners Statement

Part of a downsizing of breeding/racing stock. This daughter of the great broodmare sire Bettor's Delight has a record of 1:50.4 and earned nearly \$200,000 in her racing career. She was in training, with the plan to continue her racing career when the decision was made to breed her, so she was bred late in the breeding season. Last bred 06/23/2025, she sells in foal to Summa Cum Laude (OH), with the stud fee paid and non-refundable. With the success of his first crop in Ohio, the sky is the limit for the price a foal from this mare could bring.
